## T.Y. Lin International Names Max Fajardo Vice President

SAN FRANCISCO, CA – T.Y. Lin International (TYLI), a globally recognized full-service infrastructure consulting firm, is pleased to announce that Max Fajardo has been named Vice President. Mr. Fajardo brings over 35 years of private and public sector experience in the areas of airport operations; operational readiness; commissioning; program and project management; and engineering and construction. Based in Miami, Mr. Fajardo will be responsible for leading the Operational Readiness Line of Business, focused on the aviation, transportation, and industrial markets.

Prior to joining TYLI, Mr. Fajardo was Deputy Aviation Director for Miami International Airport. He was responsible for overseeing over 1,200 employees, a \$200M operating budget, and the day-to-day operations of the Miami Dade County system of airports. Mr. Fajardo's notable projects included oversight for Miami International Airport's \$6.2B Capital Improvement Program including the \$2.8B 50 Gate North Terminal Development and the \$1.2B South Terminal Expansion/Concourse J.

Mr. Fajardo holds a M.S. in Construction Management from Florida International University and a B.A. in Public Administration from St. Thomas University. He is an adjunct lecturer for the University of Miami, Airports Council International (ACI), and the American Association of Airport Executives (AAAE).
